# ROLE OF WATER IN HUMAN BODY

## USE OF ORGONE ALKALINE IONIZED WATER

### For Cooking

Alkaline Ionized water is excellent for stewing or boiling water. The water will brew the unique taste of ingredient and is also good to use as cooking water or fish.

### For Cooking Rice

Put the rice in the Alkaline Ionized water for 30- 60 minutes. When the rice is cooked, it shines like glutinous rice with great taste and no smell. The rice can be preserved longer than rice cooked in tap water.

### For Cleaning Fruit & vegetables

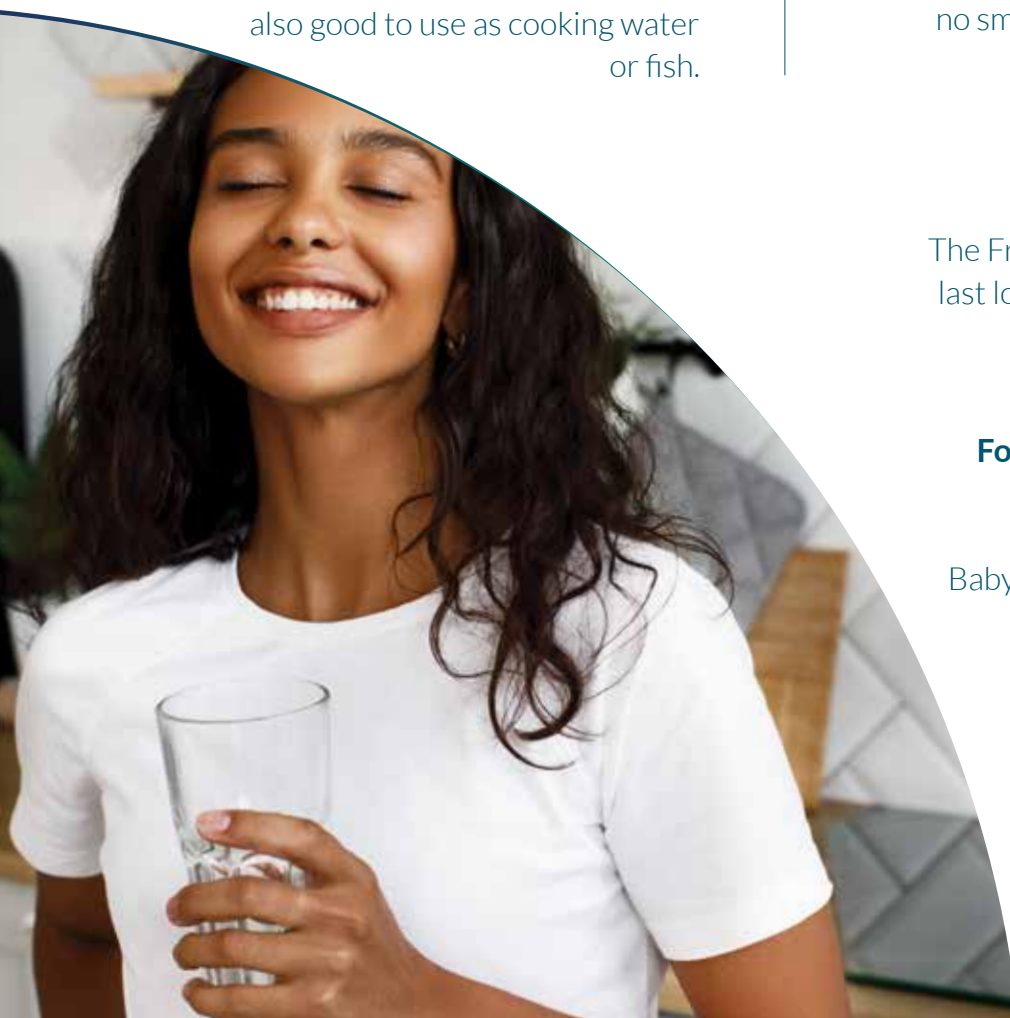

The Freshness of vegetables and fruits can last longer if washed with Alkaline Ionized water.

### For Drinking water and Baby powder mixing

Baby powder mixed with Alkaline Ionized water is excellent for babies.

### For Coffee/Tea/ Whisky

Alkaline Ionized water removes the bitter taste of coffee and tea, and boosts the aroma of tea. It is also excellent for whisky on the rocks.

# HOW CAN WE CURE DISEASE THROUGH ORGONE™ IONIZED WATER?

In order to be healthy we need only do three things: **Alkalize** , **Hydrate and detoxify** the body. If we accomplish this, we can prevent and even cure the body of any disease. All we need to know is how to achieve this. ORGONE™ Ionized Water accomplishes all these things and much more. It alkalizes hydrates and detoxifies the body more effectively than any other substance. No other water can accomplish this. Running normal tap water through a water ionizer creates a miracle that can help put your body into a position of health you never imagined you could achieve.

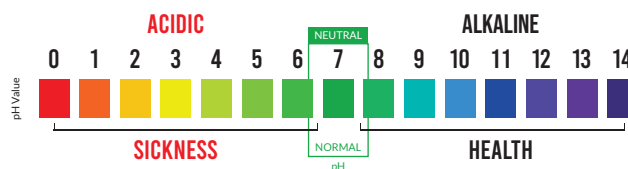

## ARE WE DRINKING WATER WHICH CAN CURE DISEASE?

**01 Antioxidants** are molecules that fight free radicals in your body. Free radicals are compounds that can cause harm if their levels become too high in your body. They're linked to multiple illnesses, including diabetes, heart disease, and cancer. Your body has its own antioxidant defenses to keep free radicals in check. Alkaline Ionized water is good antioxidant it works like you consume several vitamins, such as vitamins E and C, are effective antioxidants.

**02** Water should be **free** from physical, chemical, biological, or radiological substance or matter in water.

**03** Healthy Alkaline Ionized Water always **rich in minerals** like Calcium(Ca), potassium(N) ,Sodium(Na), Magnesium(Mg). It totally depend on quality of input water.

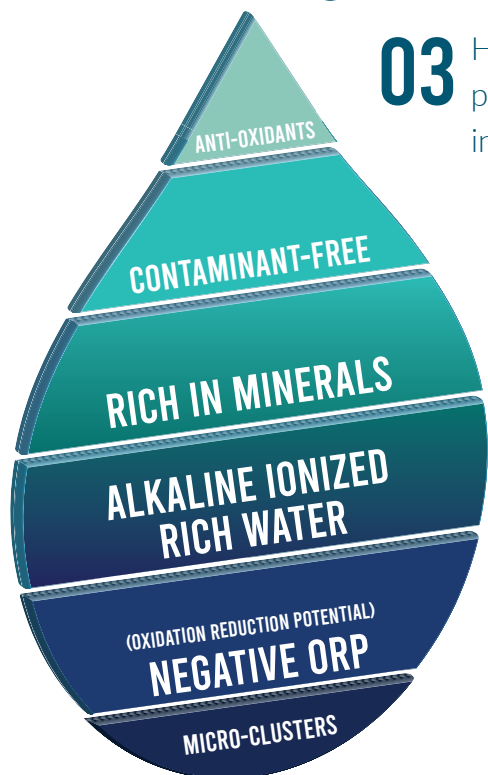

**04 Alkaline Ionized rich water** balance the body's pH , which tends to be acidic because of our high acid food diet, stress, & exposure to environment toxins such as smog. Alkalize your body pH from acidic to Alkaline Ionized to pH, because cancer and other diseases can not live in Alkaline Ionized environment. It is recommended to start after drinking pH 8.5 water for one or two week start to drink pH 9.5 water.

**05** When your water has a **negative ORP value**, it has anti-oxidant properties. This is associated with anti-aging and cellular health. Positive ORP values are oxidative and have the opposite effect. Mostly water you drink, both in the tap and filtered, have oxidative properties.

If you're able to get negative ORP value drinking water, then it can donate electrons to neutralize free radicals. Water with positive ORP values cannot. Free radicals are unstable ions in the body. They're generated by the body and can cause problems with lipids, proteins, and DNA.

**06 Micro clustered Alkaline Ionized water** contains 4 to 6 small H2O clusters. These micro- clusters makes water more hydration, permeable and soluble. Your body will require you to drink water more often and makes the hydration process faster. Due to the sufficient amount of water your body cells will absorb essential nutrients & minerals at a rapid rate.

# APPLICATION

## **Purified Water**

Recommended to take with medicines

## **Acidic water**

### *For Beauty Care*

Acidic water has an astringent effect, which makes soft and elastic skin when used to wash you face.

Fines your hair with acidic water to help make your hair shine. The human skin is mildly acidic.

### *Used to sterilize food materials*

Cleaning or sterilization of knives, chopping boards, bowls, cloths etc
